YOUNG ENGINEER'S ROUNDTABLE

The Young Engineer's Roundtable will be held in conjunction with the KSPE Conference on Thursday, June 7. With your Young Engineer's Roundtable registration you are invited to attend the Thursday morning general sessions, Awards Luncheon, three Young Engineer's Roundtable sessions and the President's Reception on Thursday evening.

CANCELLATION POLICY

No cancellations will be accepted after May 23 due to hotel guarantee deadlines.

EVENT SPONSORSHIP/VENDOR SHOWCASE

Contact Alison Connell at the KSPE office at 785.233.2121, email alison@kansasengineer.org or visit www.kansasengineer.org if you would like to be a sponsor or vendor of the Conference. (Sponsorship packages include Conference registration opportunities).

TOUR OF TUTTLE CREEK DAM

Follow up the final conference session with a tour of the subject, the Tuttle Creek Dam Projects! Learn more about the projects and tour by [clicking here](#).

There is a \$5.00 charge for the tour. A box lunch will be provided.

SPECIAL NEEDS/ACCOMMODATIONS

We will make every effort to meet your special needs. Please contact Alison Connell at the KSPE office at 785.233.2121 to request special accommodations.

GOLF TOURNAMENT

All conference registrants are invited to play in the KSPE four-person scramble golf tournament on Wednesday, June 6, at Colbert Hills, 5200 Colbert Hills Drive, Manhattan, KS 66502. If you know your foursome, indicate your preference for your team on your registration form. If a foursome is not indicated we will make sure you are placed on a team. A box lunch will be provided and a reception will be held in the clubhouse at the golf course. Hole prizes will be awarded as well as team prizes.

1:00 p.m. Shotgun Start

\$125 Conference Registrants

\$150 Non-Conference Registrants

2018 KSPE Annual Conference

YOUNG ENGINEER'S ROUNDTABLE

Thursday, June 7th 1:00-4:00 pm

The Young Engineer's Roundtable is designed to equip future leaders with information to help them make decisions today that will lead to success tomorrow. Speakers for the roundtable were selected to discuss topics that affect both engineers personal and work lives. Attendees will learn about risk management in construction design, personal financial planning, and developing leadership among all ages of coworkers.

Confirmed Speakers:

- Mike Finnegan
- Nick Maletta
- Tim Weddle

To register for the KSPE Annual Conference and/or the Young Engineer's Roundtable, please visit:

KANSAS SOCIETY OF
PROFESSIONAL ENGINEERS

ORDER OF THE ENGINEER CEREMONY

Presented by the

Kansas Society of Professional

Engineers

June 7, 2018

9:15 a.m.

Hilton Garden Inn, Manhattan, Kansas

The Order of the Engineer is an independent organization whose purpose is to foster a feeling of pride in and dedication to the engineering profession. During the ceremony, each inductee takes a solemn obligation to uphold devotion to the standards and the dignity of the engineering profession. The obligation is a creed similar to the oath attributed to Hippocrates that is commonly taken by medical graduates and which sets forth an ethical code. The obligation likewise contains parts of the canon of ethics of major engineering societies. The Order promotes honesty and integrity, and recognizes that today's engineers are dependent on their predecessors for their skills. A stainless steel ring is worn on the little finger of the working hand to symbolize acceptance of the obligation.

KSPE/NSPE members who wear the ring help raise awareness of the concepts of licensure and professionalism. This awareness is extended to recent engineering graduates, to non-KSPE/NSPE members, and to the general public. Promoting the Order of the Engineer provides an opportunity for NSPE and its state partners to grow our membership. A strong membership base helps promote and protect the engineering license. You are invited to join in this important promotion of the licensed engineer. Please sign up to take the oath to serve humanity by making the best use of earth's precious wealth!

Name: _____ Major: _____

Please print your name as you would like it to appear on your certificate

School: _____ Year Graduated: _____
