

September 1, 2023

Thank you for your continued support of the Kansas Society of Professional Engineers (KSPE). This is a one-time request that will facilitate effective planning of the various KSPE events throughout our new fiscal year through June 30, 2024, and allow firms to more effectively plan and track their KSPE sponsorship investments. Please note that chapter activities sponsorships are separate.

The Kansas Society of Professional Engineers' mission is "To promote, recognize and enhance the engineering profession by delivering professional development products and services, encouraging licensure, and advocating legislation and public policy for the betterment of human welfare and the profession."

To that end, the KSPE Partner Sponsorship Program supports activities that deliver on this mission. An example of this action is KSPE's advocacy work in Topeka that includes a lobbying team that reviews all legislation introduced in the state Senate and House and advocates KSPE's legislative priorities. This includes protecting Professional Engineer license, which has come under attack in Kansas and nearby states. Recent examples illustrate KSPE's value in Topeka as it amended the Universal Licensure Bill to protect P.E. qualifications and extended the University Engineering Initiative Act through 2032.

We recognize our members spend at least eight years learning, testing and training to become a licensed professional engineer. KSPE and NSPE are engaged across the state and nation, respectively, to ensure the professional engineer license means as much in twenty years as it does today.

We offer five levels of support for your firm to continue to support the Kansas Society of Professional Engineers and our efforts to promote the profession by becoming a KSPE Partner Sponsor. Enclosed you will find an outline of sponsorship levels and benefits, as well as a form to enroll. KSPE Partner firms will also be recognized at the KSPE Annual Conference events. These benefits will begin immediately upon commitment to the KSPE Partner Sponsorship program. ***The funds raised by the KSPE Partner Sponsorship Program solely benefit state society funded activities. Please remember to support your local chapter.*** KSPE appreciates any support your firm may have provided in that past, and we look forward to building on that relationship.

We look forward to seeing you and your team at a future KSPE event.

Regards,
