The Smoky Valley Chapter monthly newsletter is a great place to inform members of general news, ideas, and events that are of interest to the society. Anyone that has newsletter material they would like to share with the society should feel free to submit the information to Chapter Director Matt Rowe throughout the upcoming year. Submittals not later than the first of each month are needed to ensure insertion in the current monthly newsletter.

KSPE 2025 Annual Conference Representatives

Last year the Smoky Valley board agreed to help in the planning of the KSPE conference in Dodge City. The KSPE board of directors voted to move ahead with the 2025 annual conference to be held in Dodge City. The Smoky Valley chapter will need to have representatives on the 2025 planning committee, and we will need rep(s) on the 2024 planning committee to get an idea of what is needed to pull the conference together. The expected commitment for serving on the committee would consist of attending a monthly meeting that lasts approximately 1 hour. If you are interested in volunteering to be a representative on the 2025 planning committee, please contact any chapter officer for more information.
